Every Genuine Nissan Accessory is custom-fit, custom-designed and durability-tested. Genuine Nissan Accessories covered by a 3-year/36,000-mile limited warranty when installed at the time of new vehicle purchase. Plus, they're just a few dollars a month when financed with vehicle purchase. All illustrations, photographs and specifications in this publication are based on the latest product information available at the time of printing. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. List price includes time and labor for installation. Estimated monthly payment amounts are hypothetical and subject to dealer negotiation and lender credit approval. Terms may vary depending upon credit qualifications. A 10% APR finance rate for a 60-month term is assumed. No down payment is included in this assumption, but may be required by the dealer. See participating dealer for details, qualifications, and specific credit terms. ¹Covered by Nissan's Limited Warranty on Genuine Nissan Parts and Accessories for a minimum of 12 months or 12,000 miles. Terms, conditions and exclusions apply. Check with your dealer and see your Warranty Information Booklet for specific warranty details. ²Product shown in image may not be representative of the current product. ³S-Tune components are engineered by NISMO for the enthusiast that drives on the street. S-Tune components offer credible, measured increases in performance, but with an additional feature that the aftermarket can't match – each S-Tune component is covered by Nissan Parts and Accessory Limited Warranty, up to 36 months/36,000 miles if installed at time of vehicle sale (like any other Genuine Nissan Part or Accessory). ⁴See Nissan Towing Guide and Owner's Manual for proper use. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.
